

# CONTRADICTIONS

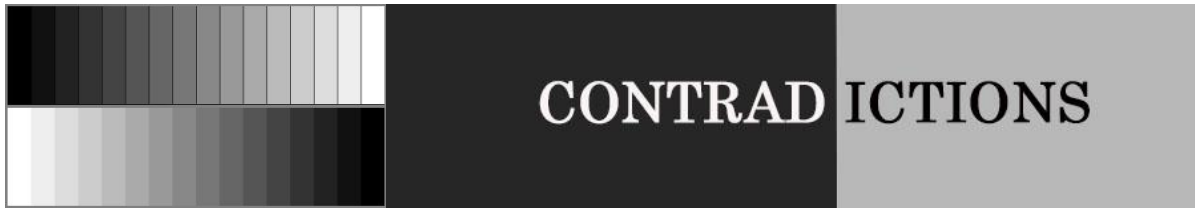

**CONTRADICTIONS.** The Navi (Prophet) warned that a time will come when contradictions will reign supreme in the Earth. It is written, *“Woe unto them that call evil good, and good evil; that put darkness for light, and light for darkness; that put bitter for sweet, and sweet for bitter!”* Yeshayahu (Isaiah) 5:20 (King James). Let me show you what these contradictions look like today, and it concerns me not if I offend someone’s theology or belief. If I don’t tell humanity, the blood of mankind will be on this House, and during our watch, (Yechezkel (Ezekiel) 3:18-19) therefore, hear what the Ruach (Spirit) says to humanity. I have divided the numerous contradictions into two headings: Moral and Ethical:

## Worldwide Moral Contradictions

This is what confusion looks like -

1. We know God’s sacred name, BUT we prefer the pagan terminologies.
2. We know God said that His Covenants are eternal, BUT times have changed.
3. We say we live in the New Covenant, BUT we want the blessings and promises of the Old.
4. We say we are not under the Law of Moses, BUT we can observe those parts that benefit us.
5. We accept that Saturday is the Biblical Seventh day of the Sabbath, BUT we will observe Sunday anyway.
6. We can eat anything until science verifies it as bad, BUT the Law of Moses said it was wrong long ago.
7. We can eat animals as long as we don’t see how they are killed BUT forget God is pure love.
8. We say we are rich in everything, BUT in reality, we are wretched, poor, and blind.
9. We believe that Jesus was born a Jew and lived as a Jew, BUT because he fulfilled the Law, we now can eat pork and shrimp.
10. We know Jesus is Hebrew, and he kept the Torah, BUT we like the Greek Jesus because he freed us from the Mosaic law.
11. We know Jesus was not born on the 25<sup>th</sup> of December, BUT we will celebrate it anyway as his birthday because of the spirit of the season.
12. Likewise, we know there is no such thing as Easter in the Bible, BUT we will celebrate it anyway because we can have Easter eggs and hot cross buns.
13. We can practice Halloween and witchcraft because it is fun and innocent, BUT forget God calls it an abomination.
14. We call the days of the week and months by Roman gods, BUT we ignore His Biblical terms.
15. We preach Church, BUT we ignore it is only Yisra’el in the Bible.
16. We sin and then repent at the altar, BUT do it again because we like the theology of free and cheap grace.
17. We pay our bills and taxes BUT forget what we promised God.
18. We say God owns everything, BUT once I register it, it belongs to me.
19. We say God is love, BUT the unbelievers must be sentenced to hell.
20. We say God loves us, BUT we can hate our neighbors.
21. We say God is with us, BUT not them because they are our enemies.
22. We fill our minds with violence daily, BUT we pray for peace nightly.
23. We say that we are all equal under God, BUT we have a problem with skin color and status.
24. We say we love our neighbors, BUT they can’t have our surplus because we may need it for a rainy day.
25. We say we want to go to Heaven, BUT no one wants to die.  
And so forth!

PART TWO

**Worldwide Ethical Contradictions**

This is what insanity looks like -

1. We live in a world where we are arming to the T AND demonstrating for peace.
  2. We live in a world where we murder the unborn AND call it women's rights.
  3. We live in a world where we radiate the environment AND call it generating clean energy.
  4. We live in a world where we dump trillions of plastics in the ocean AND take billions of fish.
  5. We live in a world where we treat our loved ones as slaves, AND we treat people who give us money or sex as a king or queen.
  6. We live in a world where we want everything cheap AND forget the factory slave labor that produced it.
  7. We live in a world where we watch pornography for free AND forget it is someone else's mother or father, sister or brother.
  8. We live in a world where we can gamble legally AND forget the consequences to the family.
  9. We live in a world where the rich don't pay their fair share of taxes, AND the poor pay taxes on everything.
  10. We live in a world where animals are friendlier and more loving than human beings, AND we call ourselves intelligent.
  11. We live in a World where 10 percent own 90 percent of the World, AND we think that is normal.
  12. We live in a world where a mother of 3 children in a third-world country lives on a budget of 100 dollars a week, AND a millionaire would spend 100 dollars on one meal in a day.
  13. We live in a world where 20 percent of its production is affordable to the poor, AND the other 80 percent is for the rich.
  14. We live in a world where we can change our name and sex AND not our debt status.
  15. We live in a world where the police protect criminals AND the law-abiding are prosecuted.
  16. We live in a world where justice can be bought, AND the innocent pays.
  17. We live in a world where prisons and mental institutions are full, AND temples and recreational parks are empty.
  18. We live in a world where walls are everywhere, AND there are few bridges in between.
  19. We live in a world where we demand the right to peace and security, AND we have no conscience of taking the habitats of other living things.
  20. We live in a world where we have the right to clean water AND, at the same time, poison it with our chemical agents.
  21. We live in a world where we have the right to clean air AND, at the same time, poison it with our fossil gasses.
  22. We live in a world where we have the right to eat anything we want, AND when we get sick from eating garbage, other people must pay for our medical bills.
  23. We live in a world where we have the right to smoke anything we want, AND when we get sick from smoking, others must pay for our medical bills and pick up our butts.
  24. We live in a world where natural remedies and supplements are expensive, AND antibiotics and diabetes pills are government-supplemented.
  25. We live in a world where alcohol is advertised as fun, AND we ignore the statistics of people who are killed and die from drinking.
- And so forth!
