

# THE GREAT DAY OF MOURNING

**THE GREAT DAY OF MOURNING.** Shiloh spoke to the masses, *“Blessed are they that mourn (from the Greek *penthountes* meaning to wail loudly): for they shall be Comforted”* Mattityahu (Matthew) 5:4. A Day is approaching soon when the World will be in shock and lament like they have not done before. Everything we used to believe, value, and trust as true or as truth will be shown to be an abject lie. Indeed, Messiah Yeshua predicted this day. *“16 No man, when he has lit a candle, covers it with a vessel, or puts it under a bed; but sets it on a menorah (lamp) that those who enter in may see the light. 17 For nothing is secret that shall not be made manifest; neither anything hidden, that shall not be known and come out. 18 Be careful therefore how you hear: for whoever has, to him shall be given; and whoever has not, from him shall be taken even that which he seems to have”* Luka (Luke) 8: 16-18. Our governments, our leaders, and our religions have lied to us for untold Centuries. Only a few good people in History have braved the tide, revealed the truth, and paid the price. They are today celebrated as our heroes. The last three years topped the ranks of world deception and lies. A British journalist and columnist Dustin Broadbery summarized perfectly the events of these years and is worth citing here: *“CIA Director, William Casey is reputed to have said to Ronald Reagan: “‘We’ll know our disinformation is complete when everything the American public believes is false.’ Fast forward thirty years, and there’s no piece of fiction the masses will not swallow. From Woke to COVID to the war in Ukraine, people no longer make their own ideological pilgrimages to the truth – **the truth is served oven-ready by their political betters. Nowadays, there’s little distinction between the two hemispheres: reality and illusion.** It’s not so much that people have been robbed of their ability to decipher between these two, **it’s that facts have been reoriented into fiction and fiction into facts.** It’s a degradation of epistemology so momentous, that people don’t even know that they don’t know that they don’t know what’s happening, to quote one former anarchist. **In the grand scheme of things, humanity has perjured themselves and life as we know it has morphed into a sort of science-fiction, soap-opera with few common ancestors to reality.** Even right-thinking folks require the equivalent of a cerebral chainsaw to hollow out the slew of implausible narratives into something remotely resembling reality. **It goes beyond fiction to predictive programming. They’re not just deceiving you; they’re showing you that they’re deceiving you.** What is neither here nor there to the deceived is the track record of their deceivers. Before the ink dried on the newsprint proclaiming the crisis in-waiting, the falsifications of COVID were buried under the falsehoods of war, Zelensky’s standing ovation at Westminster knocked Pfizer data release off the rostrum and those formerly joined at the hip to COVID got hitched to their Ukrainian brides. This entire fiasco holds water because what people think they know for sure, that just ain’t so, is a consensus. **A preponderance of fabrications, falsehoods and false prophets governs the spiritual milieu.** People worship the prosaic and glorify artifice. Our moral choices are guided by platitude and not virtue, anecdote and not evidence. **To complicate matters, what was formerly held sacred has become profane and what was formerly profane has become sacred, to quote Robert Sepehr.** There’s a war raging, alright, but you will find its theatre of operations inside the human psyche. It is a war on consciousness, an atrophy of culture and its stark consequences is the spiritual malaise of humanity. Freemasons, for one, understood that information was power. Concealing beyond the prying eyes of the lower orders, the esoteric mysteries of the universe. Then as now, it’s not enough for these people to hold a monopoly over knowledge, they must deprive everyone else of its illumination, or go one further and spread ignorance. It goes beyond censoring counterarguments to fomenting falsehoods, It’s not so much societal breakdown but self-immolation. People are being misinformed and stupefied and sent out as agents of disinformation to further deconstruct what’s left of an already deconstructed reality.” My emphasis is in bold.*

## THE GREAT DAY OF MOURNING

You can read the entirety of the article at <https://countrysquire.co.uk/2022/04/30/revelation-of-the-method/>. A Day of Truth (exposure and revelation) is coming, where everything hidden and or covered will be brought out into the glorious light of His presence. The reason why must be explained. We are approaching the start of *Shabbat HaGadol* (the Great Sabbath), the 1000 years of peace and abundance. Every religion has spoken of this time when the World will know peace for the first time. YHWH will not allow this Day to start without exposing the evil and revealing the truth. The Kingdom and the Era (*Olam Habah*) upon us will not be built or based on the foundation of falsehood, deceit, and manipulation. Ironically the Scripture calls it THE DAY OF THE HEALING OF THE NATIONS. The prophecy of this Day comes to us in the image of a Tree of Life in the Eternal City whose leaves are for the healing of the nations; *“1 And he showed me a pure river of mayim chayim, clear as crystal, proceeding out of the kesay of YHWH and of the Lamb. 2 In the midst of its street, on either side of the river, there was an eytz-chayim (tree of life), that bore twelve kinds of fruits, and yielded their fruits every month: **and the leaves of the eytzim (tree) were for the healing of the nations** 3 And there shall be no more curse: but the kesay (throne) of the Master YHWH and of the Lamb shall be in it; and His avadim (servants) shall serve Him: 4 And they shall see His face; and His Name shall be in their foreheads”* Gilyahna (Revelation) 22:1-4. This prophecy is based on these scriptures, and there are many more: Yeshayahu (Isaiah) 58:8, 61:1; Yirmeyahu (Jeremiah) 30:17, 33:6; Yechezkel (Ezekiel) 47:12; Malachi (Malaki) 4:2. All humanity is poised to experience a short period of shock, and unbelief as leaders (the elite, the enlightened, politicians, religions and secret societies) from every nation emerge from the woodwork (hiding) and confess what they know and relinquish their rights to hold this knowledge and truth. Why will they do it? Because if they don’t, what comes next, they will not survive despite all their tumultuous efforts to bring humanity under control and decimate the World’s population through their program of the Great Reset. Eliyahu will preach repentance to the Nations. On an individual level, people everywhere will set aside their differences, pride, and mindsets and confess their evils to one another for healing and restoration. Why? Because it is written, *“For the earth shall be filled with the da’at (knowledge) of the tifereth (esteem) of YHWH, as the mayim (waters) covers the sea”* Chabakook (Habakkuk) 2:14. Religions will beg forgiveness from their counterparts for the deaths and crimes they have committed. Nations, governments, militaries, institutions, and organizations will apologize and offer compensation for the evils they caused. It will be a Day of Jubilee like the World has never seen (Wayiqra (Leviticus) 25). National, business, and personal debts will be canceled, among many other measures. The World will shift to a credit-based economy, and money will be abundant and backed by the guarantee of the Kingdom. There is no room here to explain the many marvels and transitions that will take place after the Great Day of Mourning. The Kingdom World Order will be instituted where councils, not governments and organizations, will run the planet. The geographical, political, economic, and social divides between nations will be gone. The timing of this event will coincide with this great prophecy; *“And I will pour upon Beit Dawid, and upon the inhabitants of Yahrushalayim, the Ruach (Spirit) of unmerited favor and of rachamim (mercy): **and they shall look upon Me, Aleph-Taf whom they have pierced, and they shall mourn for Him, as one mourns for his only son, and they will be in bitterness for Him, as one that is in bitterness for the loss of his bachor (first born)** 11 In that day shall there be a great mourning in Yahrushalayim, as the mourning of Hadad-Rimmon in the Valley of Megiddo. 12”* Zecharyah (Zechariah) 12:10-12. Yehudah, the tribe of Judah, who are biologically the Jews and Zionists, will realize for the second time that Shiloh is the one whom they rejected and will mourn for him. Both Houses will be united for the second and last time in History - the first time was with Melech Dawid. What a day it will be! Hallel-YAH!
